

# S - SPOT

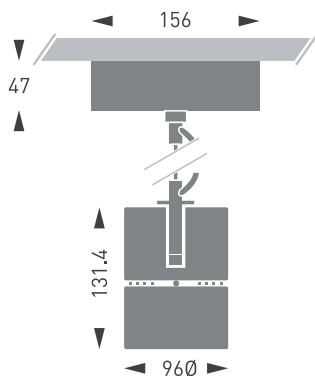

## Pendant mounted Downlight

Suitable for LED lamp with lumen output for 5300 lm.  
S - Spot pendant mounted downlight, with interchangeable reflectors for SP, MFL & WFL beams.

The new lighting technology with an efficient energy balance between heat and light, produces a IR/UV-free light, with a definite advantage in Power Consumption.

The innovative reflector technology designed for Micro silver segmented and also uses vacuum metalised, aluminum on plastic, making it virtually glare free. Pressure die-cast aluminum body with reflector ring.

Low maintenance due to lamp life of more than 50,000 hrs.

**LED lamp lumen max upto 5300 lm\***

<b>CCT (K)</b>	2700, 3000, 3500, 4000, 5700 2000K (920) Marbeled Meat Warm in Food series 4000K (840) Marbeled Meat Cool in Food series
<b>DC Current</b>	700mA - 1200mA
<b>Wattage</b>	25W-45W
<b>Input</b>	220-240V ~ 50/60Hz
<b>Reflector</b>	Miro Silver Segmented
<b>Beam Angle</b>	19°, 30°, 45°, 60°

Note: All dimensions are in millimeters (mm).
