

MAGNUS

Track | 1x

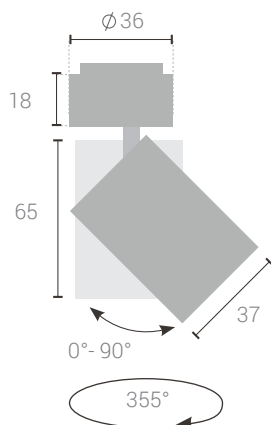

(WITH LVDC DRIVER)

Introducing track-mounted spotlights that achieve a well-engineered balance between function and aesthetics to enhance the subject or the place they illuminate. This system offers maximum flexibility as the fixtures can be relocated along the track to refocus and achieve the desired pitch and luminosity. These fixtures come with an integrated driver attachment.

Warranty 5 years

Colors Available

System Lumen :	393-448 lm
System Wattage :	6 W (max)
DC Current :	350 mA
Efficiency :	>75-90%
Efficacy :	72-81lm/W
CCT (K) :	2200K - 6500K
CRI :	>80 & 90 +
Mcadam :	3SDCM
Lifetime :	L80/B10(>50,000 hrs@Ta 30°C)
Beam Angle :	FWTM/FWHM 45°/33° (Narrow) FWTM/FWHM 61°/38° (Medium) FWTM/FWHM 85°/70° (Wide)
UGR Value	< 6.7/16.6/28.4

Driver Specs:

Input :	48VDC
Integration :	Integrated
Tunable :	No
Dimmable :	Yes
Driver Type :	On-Off/ Dali 2.0/ DT8.0/ AD/ TD
