### Product Specs :

|                 |                                 |
|-----------------|---------------------------------|
| System Lumen:   | 613lm                           |
| System Wattage: | 13W                             |
| Efficacy:       | 46lm/W                          |
| DC Current:     | 900mA                           |
| Efficiency:     | >92%                            |
| CCT(K):         | 2700K - 5700K                   |
| Macadam:        | 3SDCM                           |
| Lifetime:       | L80/B10 (>50,000hrs@Ta-30Deg C) |
| Beam Angle:     | 30° (Narrow)                    |
| UGR Value:      | <26                             |
| CRI:            | >90                             |

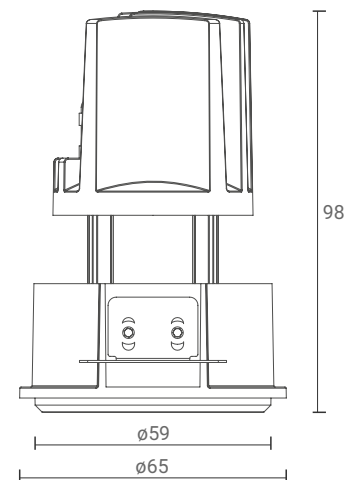

### Driver Specs:

|                     |                                   |
|---------------------|-----------------------------------|
| Input:              | 220-240V ~50/60Hz                 |
| Integration:        | Non - Integrated                  |
| THD:                | <10%                              |
| Driver Type:        | On-Off / DALI 2.0 / AD / TD / BLE |
| Dimmable / Tunable: | On Request                        |

Warranty 5 Years

**BLE** SMART
