

# Magnus 4x Square

## Semi Recessed Downlight (Medium)

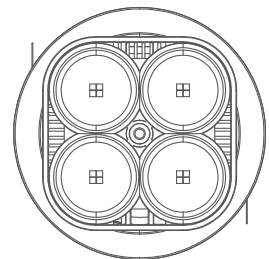

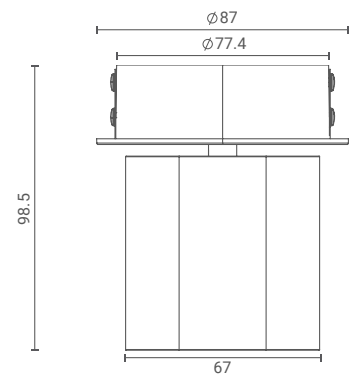

Introducing ceiling- semi recessed downlight that highlight the desired subject or place and provide optimum illumination by being nondescript.

The simplicity of its form provides smooth integration in architectural features.

### Product Specs :

|                        |                                       |
|------------------------|---------------------------------------|
| Model name :           | Magnus 4x Square Semi Recessed Medium |
| Weight:                |                                       |
| Certificate Available: | Self Declaration Certificates         |
| Colors Available:      | Metallic Silver / Black / White       |
| System Lumen:          | 1636 lm                               |
| System Wattage:        | 19 W                                  |
| DC Current:            | 700 mA                                |
| Efficacy:              | 86 lm/W                               |
| CCT(K) :               | 5700K                                 |
| CRI:                   | > 90                                  |
| Bining:                | ≤3SDCM                                |
| Lifetime:              | L80/B10 (>50,000hrs@Ta-30°C)          |
| Beam Angle:            | 54°                                   |
| IP Rating:             | IP20                                  |
| UGR:                   | <16                                   |

### Driver Specs :

|                     |                                     |
|---------------------|-------------------------------------|
| Input:              | 220-240V ~50/60Hz                   |
| Driver Type:        | On-Off/ Dali 2.0/ DT8.0/ BLE/AD/ TD |
| THD:                | <10%                                |
| Tunable & Dimmable: | Yes                                 |
