

# Moonscape

## Concave Downlight (Wide)

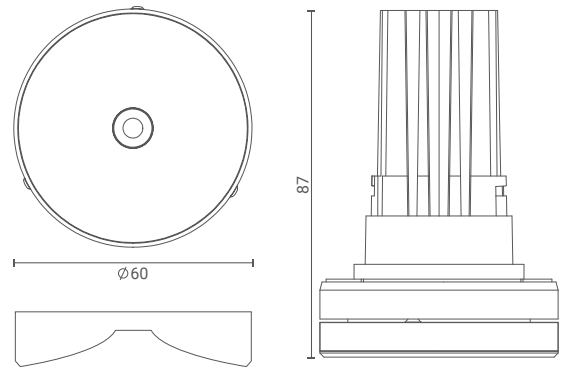

Introducing ceiling- trimless Downlight that highlight the desired subject or place and provide optimum illumination by being nondescript.

The simplicity of its form provides smooth integration in architectural features.

### Product Specs :

|                        |                               |
|------------------------|-------------------------------|
| Model name :           | Moonscape Concave Wide        |
| Weight:                | 200gm                         |
| Certificate Available: | Self Declaration Certificates |
| Colors Available:      | Black / White                 |
| System Lumen:          | 359 lm                        |
| System Wattage:        | 8 W                           |
| DC Current:            | 500 mA                        |
| Efficacy:              | 47 lm/W                       |
| CCT(K) :               | 3000K                         |
| CRI:                   | > 90                          |
| Bining:                | ≤3SDCM                        |
| Lifetime:              | L80/B10 (>50,000hrs@Ta-30°C)  |
| Beam Angle:            | 56°                           |
| IP Rating:             | IP20                          |
| UGR:                   | <33                           |
| Efficiency:            | 75%                           |

### Driver Specs :

|                     |                              |
|---------------------|------------------------------|
| Input:              | 220-240V ~50/60Hz            |
| Driver Type:        | On-Off/ Dali 2.0/ BLE/AD/ TD |
| THD:                | <10%                         |
| Tunable & Dimmable: | Only Dimmable                |
